

Learning Continuum Beyond the Classroom for Future RSEs

Julian Pistorius
CyVerse, University of Arizona

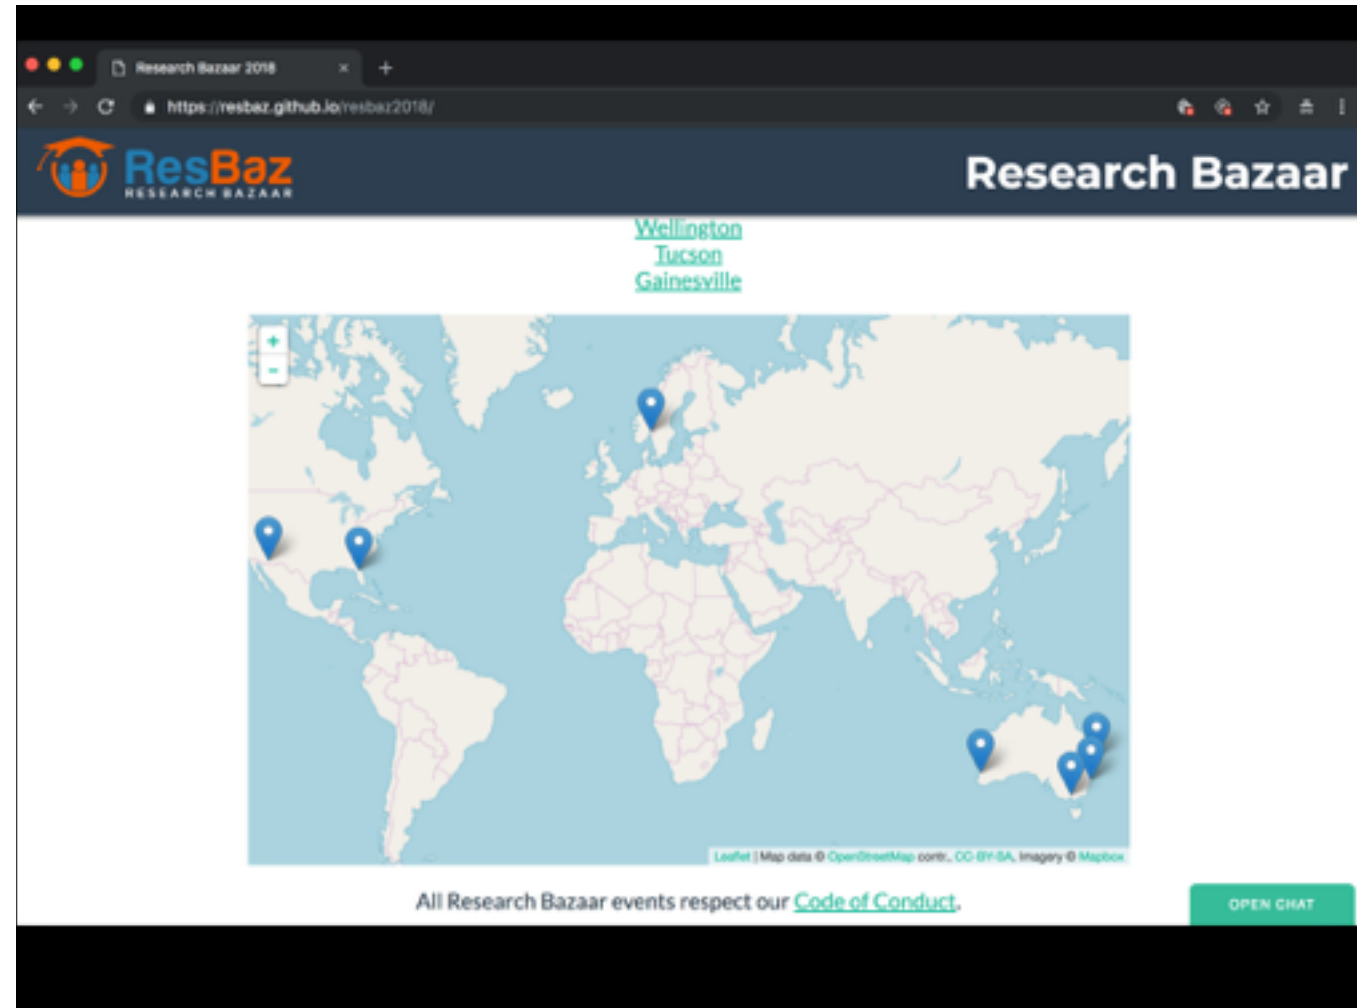

How can we grow the community of RSEs?

- Isolation and loneliness
- Career path
- Find meaning through helping others

Building a
campus network under the
umbrella of Research Bazaar
(ResBaz)

Research Bazaar (ResBaz)

- Annual Festival
- Weekly Events
- Community

- Ecuador
- Oslo
- Vancouver

- Attendance at Arizona was over 100 people in 2018
-

Come hang out with us; it's free!* Just want to hang out? Also free!*

Not into the bar scene?

Not into mornings?

PhTea

PHARMACY | SCIENCE | AGRICULTURE | ENGINEERING | MEDICINE

Uniting Worlds

Solving Problems

Weekly, Tuesdays 8-10
Catalyst Café, (Keating Building)
1657 E Helen St

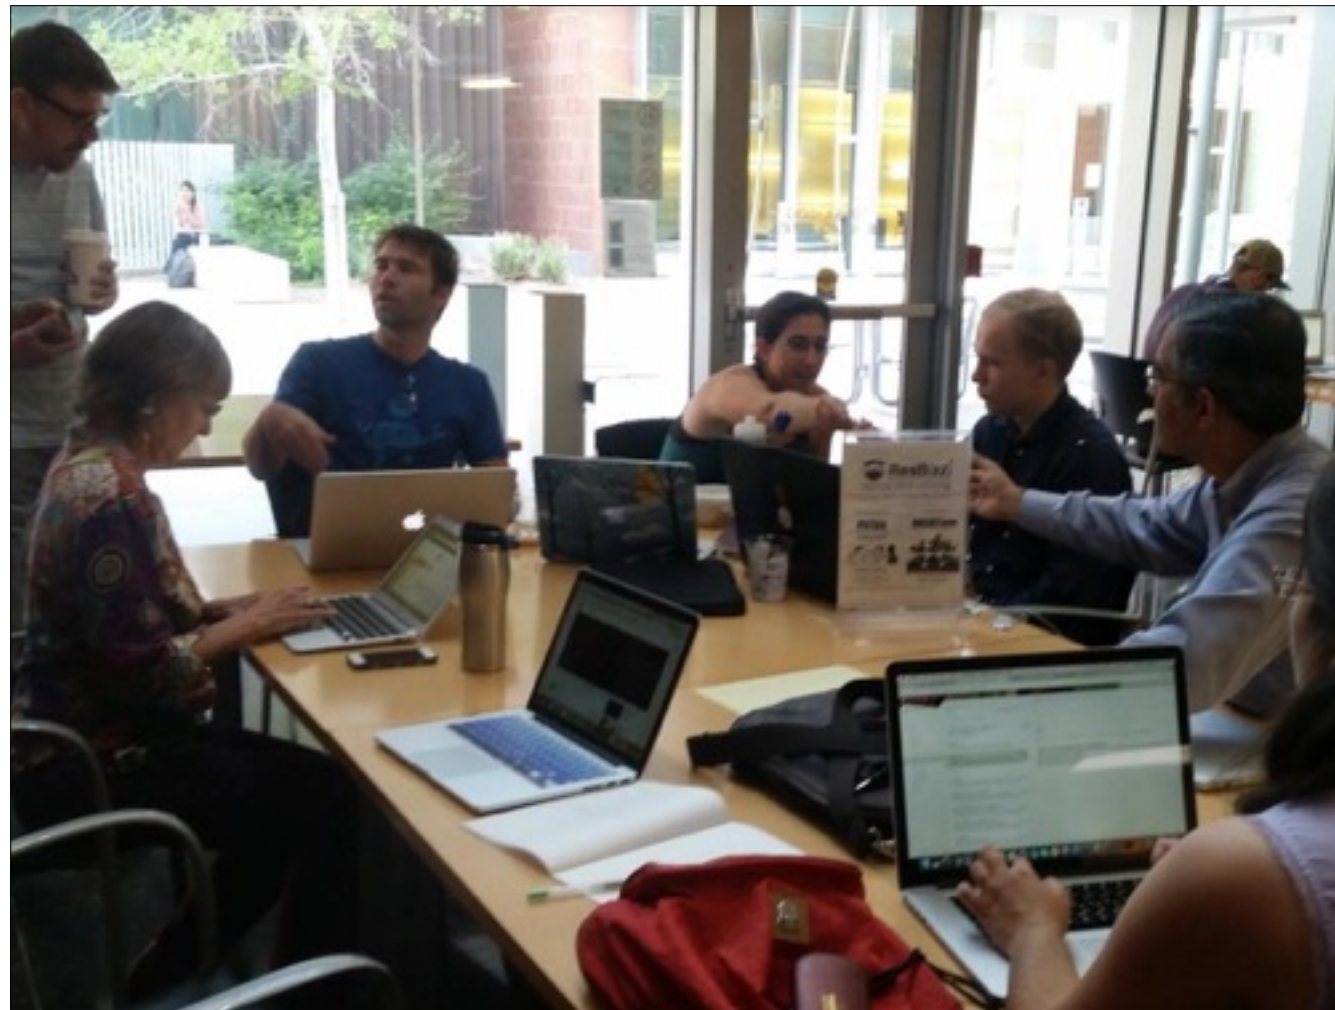

HACKY HOUR

PHARMACY | SCIENCE | AGRICULTURE | ENGINEERING | MEDICINE

DRINK TOGETHER. WORK TOGETHER.

Weekly, Thursdays 4-7
Gentle Ben's (Main Gate Square)
865 E University Blvd

Reasons

- Need help
- Find a community
- Reciprocate
- Organize

- Guiding and mentoring future RSEs

My Selfish Reasons

- Build network of like-minded people
- Product development
- Undercover UX research

- Supporting users of CyVerse's existing software
-

Lessons Learned

- Find people who need help, and then help them
- Ask for help
- Talk to your local campus librarian

To Learn

- Find more people
- Demonstrate value

- The right kind of people
- Lou's Value Creation Framework

Thanks

- CyVerse (and the NSF)
- University of Arizona Libraries
- All my friends at ResBaz
